

Cannabis Business Licenses: The Minnesota Model

This visual depicts the design of Minnesota’s cannabis business license structure. It includes single-endorsement licenses, such as Retailers, Cultivators, and Manufacturers, smaller vertically integrated licenses, such as Microbusiness and Mezzobusiness, and separate licenses for various ancillary services such as Transportation, Delivery, Testing, Wholesale, and Events.

Not Included: Medical Combination Business (Eight retail locations, 30,000 sq ft Adult Use, 15,000 lbs annual processing)
